## ***Monthly Family Forum on Addiction and Recovery***

**Learn about addiction and it's effect on the family from leaders in the industry.  
Get tools on how to help yourself and loved ones effected by the disease.**

Join us for an exclusive education seminar about addiction and the family.

Addiction is a complex issue that affects not just the individual but the entire family. Our seminar will provide you with a comprehensive understanding of addiction, its impact on the family, and ways to cope with it.

Our panel of experts will share their knowledge and expertise on addiction, including its causes, symptoms, and treatment options. You will also learn about the role of family in the recovery process and strategies for supporting your loved ones during their journey to recovery.

Whether you're a concerned family member, a healthcare professional, or simply interested in learning more about addiction, this seminar is for you. Don't miss this opportunity to gain valuable insights and tools to help your loved ones and yourself.

Register now to secure your spot and take the first step towards a brighter future for you and your family. We look forward to seeing you there!
